Designed with the couple or the individual in mind, this spa is crafted from the finest materials. Whether seeking quality time alone or an intimate encounter with someone special, the Bella's beauty and design guarantees satisfaction.

Enjoy traditional hydrotherapy from powerful, targeted jets or quickly switch to gentler, whole-body therapy using Nordic's exclusive dual-therapy system (DTS™).

Unlike spas which feature only traditional hydrotherapy, Nordic's creations combine a high flow Turbo jet and barrier-free seating to tenderly relieve soreness and tension from your entire body, front and back. This gentler, non-bruising therapy, favored by professional athletes worldwide, has proven more conducive to healing whole-body problems.

Renew romance and rediscover pleasure in the Nordic Bella. Patent Pending
