How Do We Build In Affordable Luxury?

- With our DTS™ (Dual Therapy System), a combination of high volume whirlpool flow and targeted direct pressure jets.
- With Nordic Star™ high flow stainless steel jets designed to optimize water flow and pressure to offer you a fully customizable hot water massage.
- With a powerful, 1hp continuous duty pump to give you outstanding water flow for optimal hot water therapy.
- With our Nordic Wrap™ insulation installed for additional protection from low ambient temperatures.
- With an optional Mood Lighting Package™ to create a magical nighttime ambiance.
- With a Nordic Clean™ ozonator installed to help maintain consistent water quality.
