LIMITATIONS AND EXCLUSIONS ON ALL LIMITED WARRANTIES:

THIS LIMITED WARRANTY EXTENDS ONLY TO THE ORIGINAL CONSUMER PURCHASER OF THE NORDIC HOT TUB. THIS LIMITED WARRANTY DOES NOT APPLY TO A SPA USED FOR ANY COMMERCIAL, RENTAL, CLUB OR NON-RESIDENTIAL PURPOSES OR TO A SPA LOCATED OUTSIDE OF THE UNITED STATES OR CANADA. THE NORDIC HOT TUB WARRANTY TERMINATES UPON ANY TRANSFER OF OWNERSHIP OF THE SPA OR IF THE SPA IS INSTALLED OR RELOCATED OUTSIDE THE BOUNDARIES OF THE UNITED STATES OR CANADA BY SOMEONE OTHER THAN A FACTORY AUTHORIZED DEALER/SERVICE CENTER. THE HOT TUB WARRANTY TERMINATES UPON MOVING THE SPA FROM ITS ORIGINAL LOCATION BY SOMEONE OTHER THAN A FACTORY AUTHORIZED DEALER/SERVICE CENTER.

This warranty is VOID if the hot tub has been improperly installed, subjected to alteration, misuse or abuse, neglect or if any repairs on the spa are attempted by anyone other than an authorized representative of Nordic Products, Inc. Alteration shall include any component or plumbing change, electrical conversion, or the addition of any non-approved sanitation or water purification device or heating system which contributes to a component or unit failure or unsafe operating system. Misuse and abuse shall include any operation of the spa other than in accordance with the Nordic Products, Inc. printed instructions, or use of the spa in an application for which it is not designed, such as (i) use of the spa in a non-residential application; (ii) damage caused by operation of the spa outside the specified voltage requirements (115v or 230v + or - 10%), (iii) operation of the spa at water temperatures outside the range of 32°F and 120°F; (iv) damage caused by improper or incorrect electrical hook-up, modifications to internal electrical assembly boxes and grounding system, by electrical installations done by anyone other than licensed professionals in non-conformity with state and local codes or by power surges or spikes or “brown out” conditions; (v) damage caused by dirty, clogged or calcified filter cartridges (see Spa Care and Maintenance instructions in the Owner’s Manual); damage to the spa surface caused by the use of tri-chloro chlorine, chemical tablets in a floater (chlorine or bromine), acid, or any other spa sanitizing chemicals or spa surface cleaners which are not recommended by company; (vi) damage to spa surface caused by improper PH balance or other improper water chemistry maintenance; (vii) damage to spa caused by failure to provide even and sufficient support for the spa; and (viii) damage to the spa surface caused by leaving the spa uncovered while empty of water and in direct exposure to sunlight (this may cause solar heating distress). Also, damage to the hot tub surface caused by improper use of chemicals or cleaning agents or allowing undissolved hot tub sanitizing chemicals to lie on the surface are considered abuses and shall invalidate this Limited Warranty.

Damages caused by severe weather or acts of God, nonstructural normal wear and tear, cosmetic

blemishes and other causes beyond our control are not covered under the terms of this warranty. The filter lid on the spa is not designed to support heavy weight loads and should not be used as a step. In extreme cases the lid could crack and break. This occurrence is considered abuse and is not covered under this warranty. Threads on the hose connector are not warranted against damage caused by “cross threading.” Such damage is considered abuse.
